Re *ScanSoft, Inc. v. Voice Signal Technologies, Inc., et al.*
U.S.D.C. D. Mass. Civil Action No. 04-10353 PBS
Our File No. 2639/509

Your Honor:

We represent ScanSoft, Inc. in the above-referenced matter and write to clarify an apparent misunderstanding regarding ScanSoft's May 18, 2005 Motion for Extension of Time by Revising Scheduling Order (D.N. 184). The Court's electronic Order of today denied that motion, stating, "The motion to continue the Markman hearing is denied. However, I will address scheduling issues at the hearing."

We write solely to clarify that ScanSoft's Motion did not seek to continue the Markman hearing presently scheduled for June 17, 2005. Rather, its Motion seeks an extension of all discovery events by 90 days including, if necessary, a subsequent Marksman/Summary Judgment hearing. ScanSoft therefore requests the Court's reconsideration of its Motion based upon this clarification.

Very truly yours,

Lisa M. Fleming
